

PRESS RELEASE: SEHSÜCHTE 2020 IS POSTPONED

19.03.2020

Dear representatives of the press,

in consultation with the university management, the *Sehsüchte* team has decided that the 49th edition of the festival will **not** take place from 22nd to 26th April 2020.

True to our motto **20:20 Vision**, we try to look optimistically into the future and move the international student film festival *Sehsüchte* to **23rd - 27th September 2020**.

The work of the team will be adapted to the current situation. In order to ensure the health of the team members as far as possible, team meetings will only take place digitally. The protection of our colleagues, visitors and guests is also very important to us, so that we will only use digital communication and working methods for the time being. As soon as the situation in Germany allows it, we will resume work as usual.

Due to the current situation, the jury weekend originally scheduled for 27 to 29 March cannot take place as planned. Instead, the members of the jury will exchange information digitally in order to decide on the winning films afterwards.

Unfortunately, the Future jury day on 04th of April has to be cancelled and postponed to a later date.

We will of course continue to inform you of any further changes. If you have any questions, please contact presse@sehsuechte.de
